

ADAPT Dealer Referral Program

As Adapt dealers, you've been loud and proud about what Adapt has done for your business! The comments, testimonials, and things we've heard through the grapevine have shown us that we are doing what we set out to do. And what we set out to do is give Crestron dealers the tools to be more efficient and successful, and to deliver a better experience to their customers.

It's you who have been instrumental in our success. First, in putting Adapt to the test and proving it is what we designed it to be, and second, by singing its praises to your colleagues. Well, it's high time we reward you for your enthusiasm. **Henceforth, we will be offering a free Adapt Processor Key for each dealer that you help us bring on board.** Continue to help us grow the movement! A movement that is making our industry better. And in the process, get a little something from us to add a bit to your bottom line.

Terms, conditions and whatnot:

- (1) Processor Key discount code (\$1,000 value) will be provided with each referral that leads to a new Adapt dealer.
- By "referral," we mean that you get a dealer to contact us or you provide us with a dealer's contact information. Whichever way is more comfortable for you. (Make sure your buddy tells us it was you who sent them or you give us a heads-up that they'll be reaching out.) Also, we are hoping for a bit more than, "Hey, call these guys so I can get free stuff." The more you share about your experience with Adapt, the more likely your referral will be convinced of the value of Adapt. (And the more likely you are to get the free stuff...)
- "Henceforth" means starting now... not last week or last month. Sorry... but we do have to have *some* rules.
- Program start date is 2/6/2017.
- The discount code for the free Processor Key will be provided after your referral signs up and we receive their payment. Enter the discount code when purchasing a Processor Key on our website to redeem the discount.
- Processor keys and discount codes are not transferrable to another dealer.
- Any discounts, Processor keys or other incentives are provided at the sole discretion of PanTech Design LLC.
- The terms of this program are subject to change at any time, without notice, blah, blah, blah, etc. You get the idea...
